## What You Need To Know

- A complete column consists of shaft, cap and base.
- Cap and base slides over shaft. The shaft rests on floor.
- PermaCast columns used outside should not be painted using dark colors.
- For transportation purposes, small sections of split columns are left partially intact. Refer to split kit instruction page for specific information.
- Split columns are not load bearing
- Pre-drill column prior to installing screws.
- Automotive body filler works great for minor repairs.
- When ordering a cap and base set, the Tuscan model is shipped unless otherwise specified.
- Custom fluting not available.
